SUBJECT: Payment for Stud Shear Connectors on Structural Steel Members

EFFECTIVE: May 18, 1999, Letting

Stud shear connectors will be paid for per each when required on existing structural steel bridges to be rehabilitated. For new work, the cost of stud shear connectors will be included in the cost of the structural steel pay item.

The attached recurring special provision 711-B-139 must be used for contracts which include stud shear connectors as a pay item and are scheduled for lettings through August 1999. It does not appear on the May 1, 1999, Recurring Special Provisions Menu. Beginning with the September 14, 1999, letting, the content of the special provision will appear in the Supplemental Specifications. The code number for Stud Shear Connector, EACH, is 711-96800.
